Destin accommodations

Sandestin is a world of its own.

And that's why the Sandestin Golf and Beach Resort is your best choice in Destin, Florida lodging. These Florida accommodations offer exceptional vacation rentals and hotel accommodations located just eight miles east of Destin (along the Northwest Gulf Coast of Florida), where you'll discover plenty of magnificent Destin lodging options spanning the three and a half miles between Florida's Gulf Coast and the Choctawhatchee Bay.

For your convenience, Sandestin's 1,800 accommodations and vacation rentals are grouped into four resort areas: Beachside, Village, Dockside and Linkside. Each of the four Florida resorts offers a unique locale, as well as a rate range designed to suit your style and accommodate your budget.
