FY 2024 Draft Audited Financial Statements/IRS Form 990:

Mr. Carter presented the Fiscal Year 2024 Northwest Florida State College Foundation Audited Financial Statements. The IRS Form 990 has not been finalized and will be delivered to the Foundation in the coming days. Both documents have been prepared by the independent auditing firm Mauldin & Jenkins, Certified Public Accountants of Bradenton, Florida. Highlights of the Audit Net position was \$69,149,634 at the close of the fiscal year. This reflects an increase of 12.78% over the previous fiscal year. Of the \$69.16 million in total assets, \$13 thousand rested in capital assets. Total liabilities were \$6 thousand, with \$750 due to the college and \$5 thousand due to other outside vendors. The Foundation's investments increased 12.03% from July 1, 2023 to June 30, 2024 after a reported decrease of 7.14% from July 1, 2022 to June 30, 2023. The increase and subsequent increase were principally due to financial market conditions. At June 30, 2024 the number of funds in underwater status was zero. Endowments with a fair market value below corpus will receive no spending allocation. The reduction in underwater funds can be attributed to favorable market conditions generated by positive investment earnings. Total gifts, contributions, grants and other income, increased by \$1.5 million from 2023 to 2024, totaling \$2,398 thousand at June 30, 2024. Additions to permanent endowments totaled \$568 thousand at year-end. Total college support was \$2.4 million. These payments reflected \$675 thousand in scholarship expenses, and \$1.8 million in program and other support to the college.

Motion to accept the FY 2024 Draft Audited Financial Statements for presentation to the Board, Mr. Bagby; Second, Mr. Ross. Motion carried unanimously.
